A supplemental corporate ownership statement shall be filed promptly to reflect any change in the information that is required to be disclosed.

The above mentioned Rules further require that membership interests in limited liability companies and similar entities that fall under the definition of a corporation in Bankruptcy Code §101 also be included in the disclosure statement.

In addition, the court also directs all parties to address any corporate ownership issues at the scheduling conference held before this court.

This Order supercedes and replaces Order No. 56.
